IATA e-freight – GHA's view

A large, solid green arrow points from the left edge of the slide towards the word "Benefits".

Benefits

IATA e-freight – Benefits (GHA's perspective)

- **Simplicity & Efficiency:** One operating process & one agreed standard
- **Cost Savings:** Reduced costs in document processing
- **Faster Supply Chain Transit Time:** Reduced overall processing time
- **Security:** Messages only made available to parties who require them
- **Environment:** Reduction of paper

THANK YOU
